Hello Family members, I know we have not had any communication in several months on the Aug. 2026 Holt-Godwin family reunion planning. Everyone on the committee should stay focused on what our original plan was, and that is, to put together the best reunion ever. Everyone reading this letter has been to at least several reunions in the past and knows how the turnout was and how the event went. We want this one to be the best.

I think by now most of you on the committee have a role you volunteer for or a part you agree to do. So having that said, we want to continue to keep planning, keep paying our funds so we can reach our goal.

The Civic center is more than half paid for, we have the additional funds to complete that. Our Friday night icebreaker is in effect and approved. So please everyone continues with our commitment. If anyone needs a reminder of what our plans are, please go to our web site <https://mosesandmaedellafamily.com> to view all the information that has been put out along with some new picture and things there. Spread the word around to other family members.

As always if any committee member has any comment or suggestion they want to put out to the whole committee, please let me know and I will be happy to share with everyone.

At this point we are in the approaching holiday season and if you are like me, you want to focus these next 3 to 5 months on the immediate family. So, the next time I reach out to all committee members will be in February 2026, by that time we should have a solid foundation and

direction in the way we want to go. If anyone has any question, please e-mail me marvinholt91158@outlook.com. Or text to 618-741-4907.

One last thing, I did get a deal made with the manager of the Hampton Inn by Hilton Smithfield Selma-95 and The Home2 by Hilton Smithfield. I will give the details out later, I just came back from vacation and I need to get the written contract. I will put the information on the web site and in the next new letter. I do know it is everyone's responsibility to make their own reservation with the code he will give me.

Everyone take care and I will talk to you soon. God Bless.
